Place numbers into the puzzle cells in such a way that each row and column contains each of the digits from 1 up to the size of the puzzle (5). Like a Sudoku puzzle, no number is repeated in any row or column. Each bold-outlined group of cells contains a hint consisting of a number and one of the mathematical symbols + x - /. The number is the result of applying the mathematical operation represented by the symbol to the digits contained within the domain. The solution to each puzzle is arrived at logically and is unique.

ARIES
(MAR 21 - APR 20)
Today, you may be confused at work in the absence of concrete directions. Someone on the social front can be of immense help if you approach them. Financially, you will be fine. Your sense of humour and sharp wit may pull someone towards you on the romantic front. A long drive on a freeway will help you relax your mind. A recurring medical problem may make you take up alternate medicines.
Lucky No: 1 Lucky Colour: Orange

TAURUS
(APR 21 - MAY 20)
Get serious at work to make your mark. Waning interest on the academic front will have to be checked. You may help someone, but reciprocation may be late. Romance may distract, but you'll not allow it to become all consuming. Renovation may be needed at home. Health will remain perfect.
Lucky No: 17 Lucky Colour: Electric Blue

GEMINI
(MAY 21 - JUN 21)
Love is set to enhance. Someone may offer you a trip! You will boost your image at work. A tight situation on money may worry you, but it will be a temporary phase. Religious minded may plan a pilgrimage. Health of a family member may cause concern, but not for long.
Lucky No: 9 Lucky Colour: Golden Brown

CANCER
(JUNE 22 - JULY 22)
Financial well-being is assured. Exercises will help you keep well. Attitude problems may make you confront a senior. There may be tension with spouse or family member. You may not find lover romantically inclined today. There is a good chance of getting lost in a new place that you intend visiting.
Lucky No: 5 Lucky Colour: Sea Green
